Membership Obligations & Commitments

Membership in the National Honor Society is one of the highest honors that can be awarded to a high school student. Our chapter works to give practical meaning to the Society's standards of character, leadership, scholarship, and service. We strive to recognize the total student—one who excels in all of these areas.

Membership is more than an honor. It carries a responsibility to the chapter and the national charter. If our chapter is to be effective and meaningful, each member must be involved.
